T-Mobile®

Capable device required to achieve 4G LTE speeds. Limited-time offer; subject to change. Taxes and fees additional. Not all features available on all devices. **Mobile Internet Service:** Credit approval, deposit, and \$15 SIM starter kit may be required. If you switch plan options, you may be bound by existing term (including early termination provisions) and/or charged an up to \$200 fee. Taxes approximately 6%–28% of your monthly bill. Partial megabytes rounded up. Full speeds available up to monthly allotment, including tethering; then slowed to up to 2G speeds for rest of billing cycle. Certain uses, e.g., some speed test apps, may not count against high-speed data allotment or have speeds reduced after allotment reached. US roaming and on-network data allotments differ; see your selected service for details. **Not for extended international use; you must reside in the U.S. and primary usage must occur on our U.S. network.** **Music Streaming:** Qualifying Simple Choice North America plan required. Licensed music streaming from included services does not count towards Simple Choice North America 4G LTE data allotment on T-Mobile's network or in Canada/Mexico; song downloads, video content, and non-music audio content excluded. Music streamed using Smartphone Mobile HotSpot (tethering) service may count towards 4G LTE allotment. For included services, see list at T-Mobile.com/offer/free-music-streaming; check list frequently as more services may be added. **No overages** for domestic postpaid, non-pooled use; pay-per-use charges may apply on some services (e.g., Pooled & Pay As You Go). **Data Stash:** Up to 20GB of on-network data **from past 12 months** carries over to next billing cycle for as long as you maintain qualifying postpaid service. Free 200 MB Mobile Internet data and roaming allotments do not carry over. Not combinable with Match Your Data offer; other promotional offers and discounts may also be excluded. **Data does not begin carrying over until after free 10 GB runs out. Free 10 GB:** Limited-time offer; subject to change. Once per customer. Qualifying service required. Data available until 12/31/15. Unused data has no cash value. Device and screen images simulated. **Coverage** not available in some areas. **Network Management:** Service may be **slowed, suspended, terminated, or restricted** for misuse, abnormal use, interference with our network or ability to provide quality service to other users, or significant roaming. Customers who use an extremely high amount of data in a bill cycle will have their data usage de-prioritized compared to other customers for that bill cycle at locations and times when competing network demands occur, resulting in relatively **slower speeds**.
